Dear Dr. Lajtha:

We are happy to report that The Council for Tobacco Research has approved a contribution in the amount of \$3,500 to assist seven present or recent grantees of The Council toward meeting the expenses they will incur in attending a round table discussion of nicotine and cigarette smoke in relation to the developing nervous system, in Chieti, Italy on June 24 - 28, 1984. We understand that you have organized this colloquium and will preside.

This fund is to be divided equally among the seven participants, providing \$500 each which will be paid directly to them on or about June 1, 1984.

The planned participants are:
